

## **Electronic Travel Authorisation (eTA) Information**

Applications are usually processed within 3 days, but in some cases, it may take longer. You can also choose the expedited processing if you need your application processed faster. We recommend applying for your eTA at least 2 weeks prior to travel. Travellers can submit their applications up to 3 months prior to travel. It is highly recommended that travellers apply as soon as they have booked their accommodations and transport tickets.

Citizens of certain nationalities are required to complete their eTA, even if they are exempt from payment. Information can be obtained at <http://www.etakenya.go.ke/>. A valid passport, not expiring for at least six months from the date of arrival, is required for entry into Kenya.

Contact information of Protocol Liaison Officers from the Judiciary of Kenya, the Ministry of Foreign and Diaspora Affairs and an Immigration Officer will be provided in the Essential Contact Information list on the Information Note, in case a delegate needs guidance on this process.
